

Symmetry

Gas Log Flame Fire

Rinnai

Relax. It's a Rinnai.

Find your perfect symmetry this winter.

Perfect for new homes and renovations, the Rinnai Symmetry Gas Log Flame Fire is setting the standard in flame fire design, efficiency and technology.

Providing a focal point for living rooms, the Symmetry's stylish and modern design has a wide landscape orientation that installs virtually flush against the wall comfortably heating large open plan spaces.

Features and Benefits

- > High 4.2 Star energy efficiency
- > Wide landscape orientation
- > Multiple timers
- > Fully thermostatic for ultimate comfort
- > Room sealed appliance for superior indoor air quality
- > Design registered Australian Eucalyptus Log Set with added river stones for realism
- > Direct Vent (balanced), flue system, allowing flexible installation options
- > Can be installed as a fully recessed fire
- > Available in 2 fascia options – bevelled black or bevelled silver

Bevelled Black

Bevelled Silver

Additional Features

- > Full function radio frequency remote control - no need to point directly at the unit
- > Programmable timers for mornings and evenings
- > The remote control has an easy to read LCD display screen.
- > Gently flickering flame for ambience
- > Non-obtrusive fine mesh dress guard for added protection
- > Powerful multi speed fan to assist with even heat distribution

Flame for Ambience

Remote Control
