

PHAROS: 360° HEAT

Enjoy the heat and mesmerising beauty of naked flame from every part of the room with this rotating cast iron fireplace. Featuring a gently curved door, extra large viewing window and Invicta's Post Combustion technology, this strikingly contemporary fireplace can keep the flames dancing for up to 10 hours.

PHAROS: 360° HEAT

- »→ Mounted on a turntable base with bearings also in the flue collar
 - »→ Direct heat wherever you are in the room
 - »→ Post-combustion technology injects additional heated air, burning gases and dust, creating a complete burn which results in lower emissions and higher performance heating
 - »→ Burns for up to 10 hours on a single load of fuel
 - »→ Environmentally friendly
-

Heat Output	12kW
Efficiency	76%
Fuel	Wood
